

Buy a Brick to Support Our Banners!

What is the Reedsport Main Street Program? The Reedsport Main Street Program engages volunteers to make Reedsport, Oregon, a livable, sustainable community with a strong sense of place. We are a comprehensive program, focusing on strengthening our economy, improving the aesthetics of the city, preserving and sharing our history, promoting recreational activities, fostering pride and optimism, and encouraging community involvement.

Write a Message That Will Last for Years to Come!

Your brick purchase directly supports our Banner Project! Customized your message in the box below, and your engraved brick will be permanently placed in the sidewalk of Old Town Reedsport along Highway 38, helping improve the appearance of our downtown. Whether you choose to commemorate a loved one, celebrate your family, or share something inspirational, your message will last for generations to come. What will you say?

With your help, the Reedsport Main Street Program is hanging colorful banners in all three commercial districts—downtown, midtown, and uptown—that invite everyone to stop, shop, and discover!
